

SELF-ASSESSMENT FOR CAPACITY BUILDING

- 1.. Why is it important/necessary to build capacity now?
2. What will happen if you don't take action?
3. What do you need to be different and how will you know when you succeed?
4. What is needed to increase your capacity (human resources, financial, etc.)?
5. Is there alignment among staff, board and the executive director to support this change?

C4NPR is committed to providing area nonprofits with access to professional development, resources, information, and technical support to operate in an efficient and effective manner
